

WILLIAM H. GRAY III 30TH STREET STATION

Pennsylvania has many stations, with Gray 30th St. Station in Philadelphia being the busiest. Located in the "City of Brotherly Love", the station is close to the historic Liberty Bell, Betsy Ross' house and the famous Reading Terminal, now a food hall where you can find tasty Pennsylvania treats like pretzels.

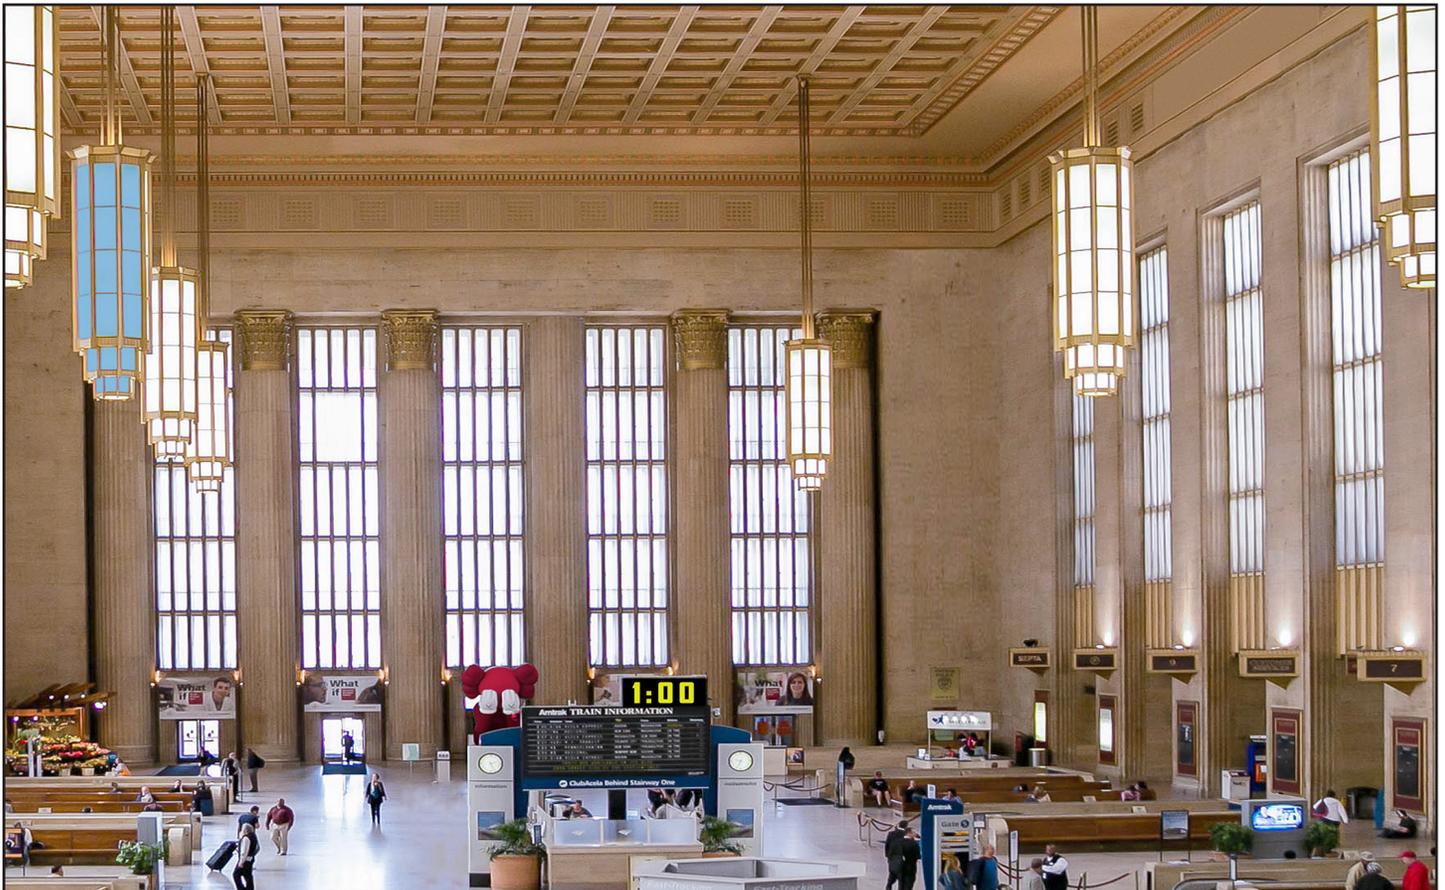

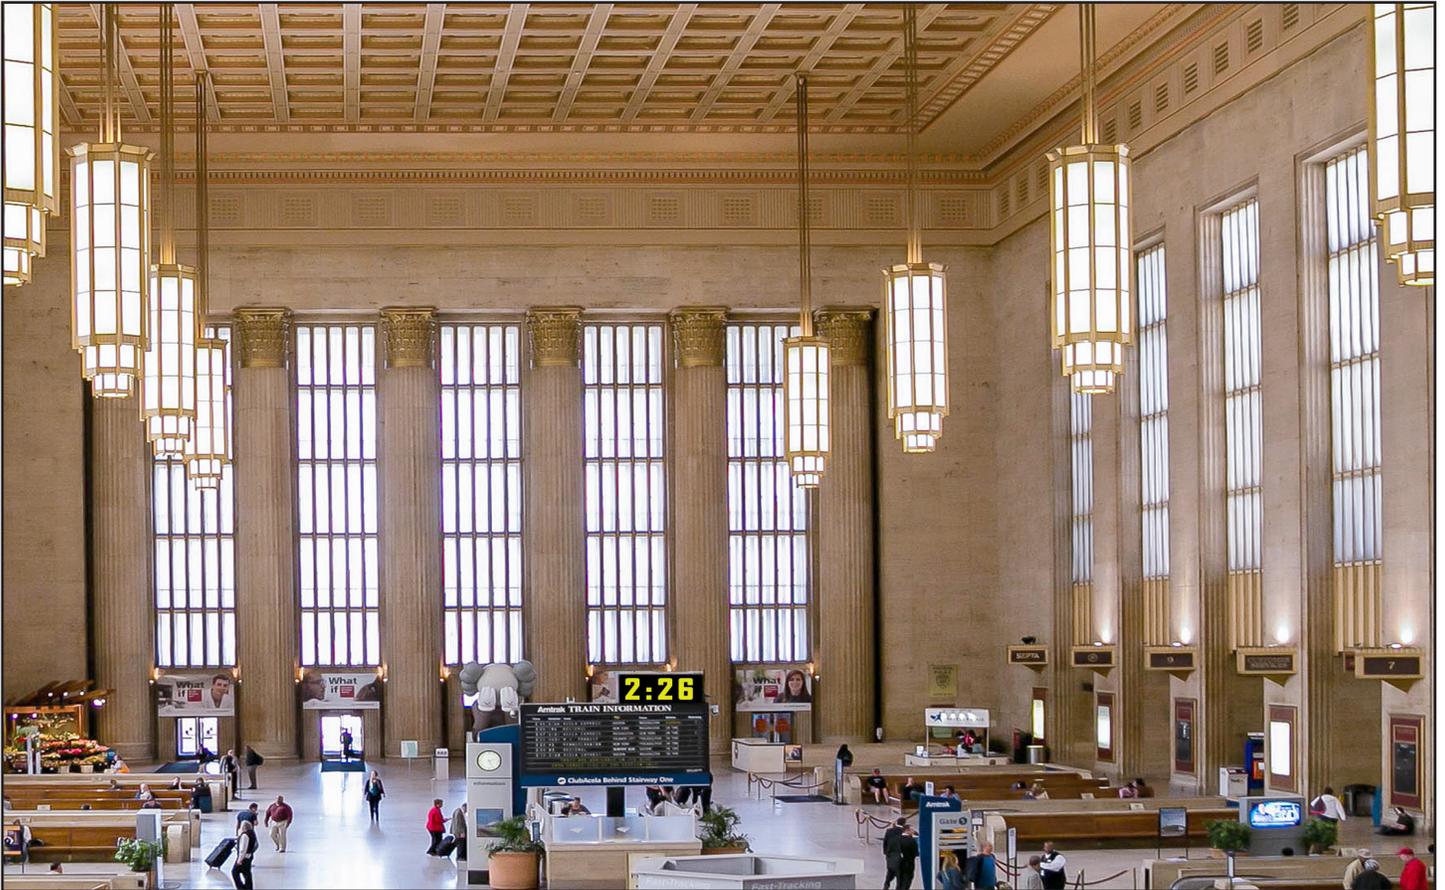

Inside the station, you'll find a main concourse lined with columns, five-story high windows and Art Deco chandeliers. The floor is made of marble from Tennessee, almost 800 miles away!
